

An estate containing ten complete and eight semi-complete Yamaha Turbos plus multiple sets of body parts has become available. Asking price is \$5000 for the ten complete bikes and \$2000 for the eight semi-complete bikes plus multiple sets of body parts. Bikes are located in California, northeast of Los Angeles and require cash payment plus shipping from that location.

Owner wishes to sell as two lots only – no single bike purchases. Registration papers are unavailable at this time. More information plus pictures are at the TMIOA
